Alkane Energy plc

New Non-Executive Director Appointment

Alkane Energy plc, the renewable energy and climate change technology company, is pleased to announce the appointment of Ms Julia Henderson as a Non-Executive Director of the Company, effective from 1 June 2007.

Ms. Henderson, 46, has been involved with entrepreneurial growth companies in a wide range of sectors for almost two decades. She is an independent non-executive director and corporate consultant with quoted and private mid market companies. Julia has already gained experience in the renewable energy sector as a non-executive director of GTL Resources plc, the bio-ethanol producer. She was a founder shareholder and later a director of Beeson Gregory (now Evolution Group), the mid market investment bank, and has a wealth of City experience.

John Lander, Chairman, welcomed Julia to Alkane's Board and said:

"Julia Henderson has a very successful track record in corporate finance. We are delighted that she has joined us and look forward to working with her and benefiting from her wide range of financial and City expertise as we seek to drive forward shareholder value."
